

## Introduction Speech

Hello. My name is Matthew Barbee. Today, I will tell you all about me. First, I am from Florida in the United States. My favorite thing about Florida is the nature because there are many beautiful beaches, rivers, and swamps. Disney world is also in Florida. I have lived in Hawaii for a year. Hawaii is similar to Florida. My favorite color is blue because it is the color of the sky, the ocean, and my eyes. My hobby is singing. I like to do it with friends when I am at karaoke. Three adjectives that describe me are funny, musical, and loving. Finally, one interesting thing about me is that I lived in Japan for five years. I never studied Japanese before I went to Japan. After I finish at the University of Hawaii, I will return to Japan. Thank you for listening.
