Example 1:

Hello, my name is Matthew and I want to tell you about my picture. This is a picture of me riding a big elephant with my friend Richie. Richie is from Ireland, but now we both work as English teachers in Miyazaki ken. This past winter, Richie and I took a trip to Thailand. It was a lot of fun. The most exciting thing about our trip was when we rode this Elephant. I was surprised to know that the Elephant driver was only 14 years old. Have you ever ridden an elephant? I was a little nervous, but soon I was having a great time. When the ride was finished, I was sad that Richie and I had to get off the elephant. This picture is special to me because it reminds me of the great time I had in Thailand. Maybe one day I can visit Thailand again. Thank you for listening.

Example 2:

Hi. My name is Hikaru. Today for "Show & Tell" I brought a painting. It is my favorite treasure because it reminds me of my trip to Huis Ten Bosch. Do you know Huis Ten Bosch? If you don't, it's ok. I didn't know about it before I went either, but it is a great place. I visited there with my family when I was 12 years old. Huis Ten Bosch is a Dutch theme park near Sasebo. Dutch culture is famous for its beautiful tulips and windmills. In this painting you can see many flowers and animals. I think it is very cute. Also, if you want to go to Europe, but you haven't been, Huis Ten Bosch is a nice place to visit. In the park there were so many flowers and European buildings. There were also many interesting attractions and shops. The most interesting attraction was the "House of Mirrors." It is a huge maze, and all the walls are mirrors. My little brother was only 5 but he finished the maze first. One day, I hope I can go back to Huis Ten Bosch. It was a great trip and this picture reminds me of the good time I had with my family.
